

# Display Week 2018

## LA Convention Center May 20-25, 2018

### Partial Registered Company List (As of 3.21.18)

3M	BOE	Dexerials	EuropTec Vehicle Display
3M Ventures	BOE Technology Group	DiBis Digital	Glass
4JET microtech GmbH	BOE Varitronix	DigiLens	Evercore ISI
Abrisa Technologies	BridgeHub	Digital View	Eyesaver International
Accuview, Inc,	Brunel University	Dignity	EyeTechDS
Adi - Displays Consulting	Byton	Dignity Electronic Technology	Facebook / Oculus
Adloonix	Cefey	Dimenco	Faurecia
Admesy BV	CenTech	Display Systems	Fema Electronics
AGC Asahi Glass	Cereba	DLC Display	Fitbit
Airbus	Chinese Academy of	DNP America	FlexEnable
Allomind	Sciences	Dolby	Fujifilm
Amazon	Chonbuk National University	Dong-A University	Fujitsu
Amazon lab126	Clare College, Cambridge	Dover Motion	Futaba
Amorphyx Inc.	Univ.	Dow chemical	Future Electronics
Ampire	Clarus Vision	Dow Consumer Solutions	Gables Engineering
ANI	CLEARink Displays	DowDuPont	Garmin International
Annax GmbH	CNK	DSCC	General Motors
Apple	Coherent LaserSystems	Duksan Neolux	Gentex
Applied Materials	GmbH	Dupont	German Display Forum
Applied Ventures	ColorLink Japan	E Ink	Giantplus Technology
Asahi Glass	Conductive Science	Eastman Chemical	Glas Troesch Holding AG
ASC	CoreFlow	EDT	Google
Astronautics	Corning	eGalax_eMPIA Technology	Goworld Display
Astronics	Corning	Eizo	Grantwood Technologies
AU Optronics America	Research&Development	Elo Touch Solutions	Grayhill
Avegant	CovaTech North America	Elpa Displays	Griot Group
AXP Technology	Cowen	Elsicon	Groglass
B&H Photo Video	CREOL, UCF	eMagin	Groh Associates
Bechtel Plant Machinery	CY Vision	EMD Performance Materials	Groupe PSA
Becton Dickinson	Cybernet Systems	Emerging Display	H&A Software
Benteler	Cynora	Technologies	Halion Displays
Berkoff & Associates	Cyto Optics Consulting	Envisics	Hanyang University
BHTC	Dai Nippon Printing	Envision Technical Sales	Harper and Two
Blackmagic Design	Dalux Technology	Epoch Investment Partners	Henghao Technology
Blink America	Dankook University	EuropTec Asia	Himax Technologies
Blue Pearl Software	Dawar Technologies	EuropTec USA	HKUST
BMW	DEW Solutions		Holitech Europe GmbH

# Display Week 2018

## LA Convention Center May 20-25, 2018

### What Registered Companies Produce or Manufacture

Component manufacturer-Adhesives and sealants	Display manufacturing equipment
Component manufacturer-Cables, connectors	Display manufacturing-Displays
Component manufacturer-Coatings and films	Display manufacturing-Test and measurement equipment
Component manufacturer-Display materials	Display manufacturing-Video walls
Component manufacturer-EL materials	Display research-3D displays
Component manufacturer-Electronics	Display research-Applied vision
Component manufacturer-Films	Display research-Augmented and Virtual Reality
Component manufacturer-Glass	Display research-Deposition technologies
Component manufacturer-Glass for displays	Display research-Display manufacturing
Component manufacturer-Liquid crystal materials	Display research-Display metrology
Component manufacturer-More than one of the above	Display research-Display systems
Component manufacturer-Optical components	Display research-Emissive devices
Component manufacturer-Other	Display research-Flexible displays or components
Component manufacturer-Other category of display component maker	Display research-Head-mounted displays
Component manufacturer-Touch input devices	Display research-LCD materials
Component manufacturer-Touch input devices and screens	Display research-Lighting
Consumer of display devices for-Communications devices or systems	Display research-Low-power displays
Consumer of display devices for-Communications products or equip	Display research-Market research
Consumer of display devices for-Computers	Display research-OLED materials
Consumer of display devices for-Computers and peripherals	Display research-Other
Consumer of display devices for-Consumer electronics	Display research-Other display materials
Consumer of display devices for-Consumer products	Display research-Pixel circuits
Consumer of display devices for-Monitors	Display research-Software for displays
Consumer of display devices for-Monitors or other peripherals	Display research-Touch and Interactivity
Consumer of display devices for-Other	Display system integrator-Installation of displays into consumer systems
Consumer of display devices for-Other category of display consumer	Display system integrator-Installation of displays into industrial systems
Consumer of display devices for-Other mobile devices	Display system integrator-Integrator of displays and touch panels
Consumer of display devices for-Tablets	Display system integrator-Integrator of displays into consumer products
Consumer of display devices for-Transportation(automotive or vehicular)	Display system integrator-Integrator of displays into industrial equipment
Consumer of display devices for-Transportation (automotive, aircraft, marine)	Display system integrator-Integrator of displays into instruments
Display manufacturing equipment	Display system integrator-Integrator of touch panels

**Display Week 2018**  
**LA Convention Center May 20-25, 2018**

Display system integrator-Other  
Display system integrator-Other category of display system  
integration  
Manufacturer of displays  
Research-3D  
Research-Applied vision, perception, or human factors  
Research-Display manufacturing  
Research-Display metrology  
Research-Display substrates (laser, oxide, or other)  
Research-Display systems

Research-Flexible displays or components  
Research-Head-mounted displays  
Research-Head-up displays  
Research-LCD materials  
Research-More than one of the above  
Research-OLED materials  
Research-Other display materials  
Research-Other research area not listed above  
Research-Touch
